The sails and flags are made from pre-cut paper included in the set and can be painted to personalize the pirate ship!

The ship is constructed from layers of laser-cut wood sheets and can be easily assembled securing the mast beams.

Special ENGINO® connecting pins enable fast and easy assembly of wooden surfaces to other components.

The sea waves are simulated by the wooden surfaces which can be painted using the included paint set!

WARNING: Adhesive - Not to be swallowed or inhaled.

This toy set contains paints and adhesive. Avoid contact with eyes, skin, and mouth. Do not ingest. Use under adult supervision in a well-ventilated area. Wash hands thoroughly after use.

Flammable: Keep away from heat, sparks, and open flames. Store in a cool, dry place.
